*ABOUT DJ

She is a PowerHouse - With a distinctive style, she takes her audience on an unforgettable journey, skillfully tapping into the energy of the moment with her impeccable track selection.

She Owns the Stage - A true stage presence, she exudes passion, creating a lively and vibrant atmosphere. Her glamour and spontaneity shine through every performance.

She Delivers - Her music choices are always on point, totally unique and unexpected. It's like she knows exactly what to play to get the party going. And the best part is, everyone leaves feeling like they had the best night ever.

*BIO

Hailing from Mumbai, DJ Antara has always held a special place for electronic music in her heart. Her journey began spinning for friends at local parties, but her passion quickly transformed into a profession. After securing a position with a concert production company, she was introduced to a myriad of performing opportunities. Over the past year, DJ Antara has electrified crowds in both Dubai and Mumbai, bringing her unique sound and energy to every set. With each performance she continues to elevate the electronic music scene and connect with audiences around the world.
